OFFICE OF PETITIONS

In re Application of
Anders Hanson
Application No. 10/812,997
Filed: March 31, 2004
Attorney Docket No. 150-153

ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed February 17, 2009, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of March 20, 2007. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2), an amendment that prima facie places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(II)(A)(2). No extensions of time pursuant to the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the date of abandonment of this application is June 21, 2007. A Notice of Abandonment was mailed November 1, 2007.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) and fee of \$405, (2) the petition fee of \$810, and (3) an adequate statement of unintentional delay.

The file does not indicate a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

Telephone inquiries concerning this decision should be directed to Alicia Kelley at (571) 272-6059.

This application is being referred to Technology Center AU 3724 for processing of the RCE and for appropriate action by the Examiner in the normal course of business in accordance with 37 CFR 1.114.
